

SCENTS

CREATES A MOOD-BOOSTING EXPERIENCE

Give clients a mood-boosting experience with scents. Featuring aromatic blends and essential oils, our fragrances are designed to perfectly customize each Unity session for every mood and occasion.

FEATURES & BENEFITS

- Positive Energy - An energizing blend of citrus essential oils to help you take on the day. Bergamot Essential Oil helps to reduce stress and improve mood, while an uplifting blend of Citrus Essential Oils help to increase energy.
- Focused Mind - An uplifting blend of essential oils to clear a foggy mind. Bergamot Essential Oil helps to reduce stress and improve mood; while Lavender Essential Oil helps to gently clear your mind and Sweet Orange Essential Oil helps to calm nerves and increase motivation.
- Vacay - A vibrant cocktail of juicy lemon, and pineapple, with hints of sea air and amber
- Fresh - Notes of citrus and spice
- Summer Dream - A light and refreshing blend of cypress, fresh vetiver and juicy yuzu fruit
- Made with natural, cruelty-free, paraben-free, 100% vegan, and non-comedogenic ingredients.

THE TECHNOLOGY

Unity sessions can be customized to each client’s specific needs. Fragrances add the perfect finishing touch to each session, with a blend to match every season, mood and occasion.

THE RESULT

A pleasant, mood-boosting experience
