

MYSTIC SCENTS

CREATES A MOOD-BOOSTING EXPERIENCE

Give clients a mood-boosting experience with scents. Featuring aromatic blends and essential oils, our fragrances are designed to perfectly customize each Mystic session for every mood and occasion.

FEATURES & BENEFITS

- Coconut Lime - The ultimate summer refresher capturing just the right notes of a tropical island.
- Warm Vanilla - Notes of vanilla, white orchid, and sparkling sugar
- Vacay - A vibrant cocktail of juicy lemon, and pineapple, with hints of sea air and amber
- Fresh - Notes of citrus and spice
- Summer Dream - A light and refreshing blend of cypress, fresh vetiver and juicy yuzu fruit
- Made with natural, cruelty-free, paraben-free, 100% vegan, and non-comedogenic ingredients.

THE TECHNOLOGY

Mystic sessions can be customized to each client's specific needs. Fragrances add the perfect finishing touch to each session, with a blend to match every season, mood and occasion.

THE RESULT

A pleasant, mood-boosting experience
