

# RECOVER

## SOOTHES, REPLENISHES, AND REVIVES SKIN VIBRANCY

Essential minerals help restructure the skin barrier for vibrancy, improved elasticity, and smoother texture.

Refuels vital amino acids lost due to physical activity, for restorative health

### SCIENCE

Crucial electrolytes help refuel fatigued skin post-activity, providing total body recovery and vital elasticity for skin that bounces back. The activated **Nitro + Mineral Complex™** features a cooling blend that instantly energizes the skin's sensations to make it come alive.

### RESULTS

Soothes, Replenishes, and Revives Skin Vibrancy.
