a week for optimal
results

SCIENCE

Crucial electrolytes help refuel fatigued skin post-activity, providing total body recovery and vital elasticity for skin that bounces back. The activated **Nitro + Mineral Complex™** features a cooling blend that instantly energizes the skin's sensations to make it come alive.

TECHNOLOGY

Completely automated full-body skincare in minutes. Just step inside, press a button, and follow simple voice guidance while a warm, gentle mist sprays evenly over your body.

RESULTS

Soothes, Replenishes, and Revives Skin Vibrancy.

WELLFIT CARE

WellFit skincare treatments are non-irritating, non-sensitizing and made with natural ingredients that are always cruelty-free, paraben-free, 100% vegan, and non-comedogenic.

FULL-BODY SKINCARE

ABOUT WELLFIT

Skincare that meets you where you are. Born from the world of automated spray technology, WellFit reimagines skincare as a full-body experience.

Essential minerals help restructure the skin barrier for vibrancy, improved elasticity, and smoother texture.

Refuels vital amino acids lost due to physical activity, for restorative health
