

RECOVER

SOOTHES, REPLENISHES, AND REVIVES SKIN VIBRANCY

Essential minerals help restructure the skin barrier for vibrancy, improved elasticity, and smoother texture.

Refuels vital amino acids lost due to physical activity, for restorative health

Use at least
3x
a week for optimal results

SCIENCE

Crucial electrolytes help refuel fatigued skin post-activity, providing total body recovery and vital elasticity for skin that bounces back. The activated **Nitro + Mineral Complex™** features a cooling blend that instantly energizes the skin's sensations to make it come alive.

RESULTS

Soothes, Replenishes, and Revives Skin Vibrancy.
