IN BOOTH TREATMENTS

*Science-backed booth treatments for every client, every skin type, every body.**

HYDRATE

Multi-depth full-body hydration. Lasting moisture that works beneath the surface for up to 24 hours

LIFT

Full-body firming and peptide-driven support for skin structure and texture

RECOVER

Post-activity recovery. Replenishes electrolytes and amino acids lost through sweat

BALANCE

Microbiome-restoring treatment. Calms irritation and repairs your skin barrier

**Ask about our Clinical line available for MedSpa and HCP-supervised locations.*

AT HOME PRODUCTS

FACE + BODY CLEANSER

Gently cleanses and lightly exfoliates with jojoba beads.

FACE + BODY TONER

Restores pH, supports the skin barrier, controls excess oil.

Available in disposable mitts!

FACE + BODY SERUM

A lightweight oil that locks in hydration and supports the skin's protective barrier.

FIRST OF ITS KIND

WellFit is the first automated full-body skincare experience. It delivers science-backed skincare treatments to the entire body in minutes. It closes the gap in traditional skincare by supporting the **90% of skin that facial routines ignore**: elbows, knees, feet, shoulders, back, and everywhere in between.

97% would tell their friends

100% loved how their skin felt

98% of users want to continue after 6 treatments
