MYSTIC

MYSTIC:

- Intuitive Touch Screen Operation
- 8 Treatment Drawers
- Sensor-based Position Tracking
- Automatic Washdown Cycle
- 2 Easy Positions
- MagneTan® Spray System

WellFit is the first automated full-body skincare experience. It delivers science-backed skincare treatments to the entire body in minutes. It closes the gap in traditional skincare by supporting the 90% of skin that facial routines ignore: elbows, knees, feet, shoulders, back, and everywhere in between.

INNOVÉ
BEAUTY & WELLNESS

ABOUT INNOVÉ

INNOVÉ Beauty & Wellness is a family of synergistic brands united by a shared commitment to innovation, wellness, and personal aesthetics - designed to inspire confidence and beauty for all ages, races, and body types.

We pride ourselves on delivering quality experiences for our consumers and business partners. We deliver quality experiences for our consumers and business partners, with the capacity to place 60+ booths per month nationwide.
