

OPERATOR QUICK REFERENCE

For operator partners updating websites, menus, or marketing materials. Use these blocks as written. For additional copy or formats, contact the WellFit brand team.

SHORT BRAND DESCRIPTION

WellFit is the first automated full-body skincare experience. It delivers science-backed skincare treatments to the entire body in minutes.

TREATMENT DESCRIPTIONS

Hydrate Full-body hydration that works at three layers of skin. Delivers deep, lasting moisture for up to 24 hours.

Lift Full-body firming treatment formulated with advanced peptides to help smooth skin texture and reduce the appearance of fine lines.

Balance Full-body microbiome treatment. Strengthens the skin's natural barrier, regulates sebum, and soothes irritation.

Recover Post-activity full-body recovery. Replenishes electrolytes and essential amino acids lost through sweat.
