

PULSE

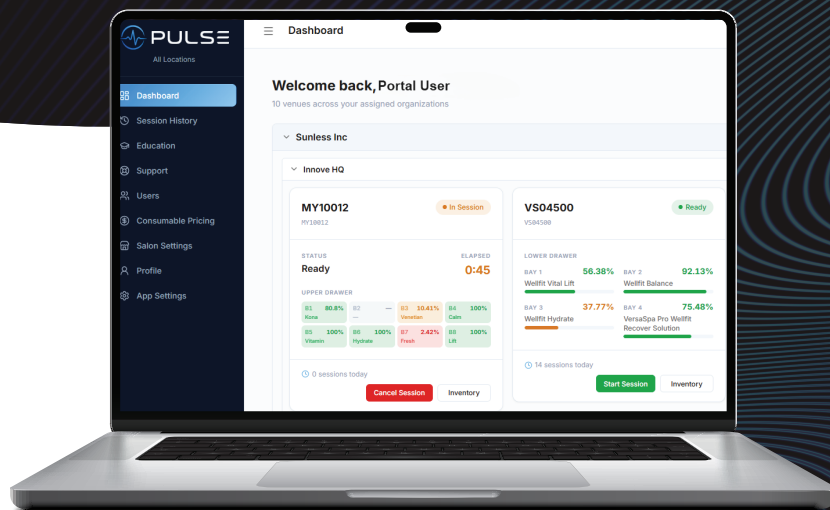

POWERED BY versaspa[®] PRO | MYSTIC | +Unity

THE CONNECTED BUSINESS
PLATFORM FOR AUTOMATED BOOTHS

"Pulse keeps you connected
with real-time insights and
remote management—
anytime, anywhere."

MORE CONTROL. LESS STRESS. MORE TIME TO GROW.

Pulse connects your automated booth to your business, giving you real-time visibility, intelligent control and powerful tools that help you spend less time managing equipment—and more time growing your business.

EVERYTHING YOU NEED. ALL IN ONE PLACE.

MONITOR IN REAL TIME

See booth status, session activity and performance metrics anytime, anywhere.

MANAGE WITH EASE

Update settings and manage inventory remotely to keep your business running smoothly.

TRACK PERFORMANCE

Analyze usage data to make smarter decisions and maximize results.

ACCESS BUILT-IN TRAINING*

On-demand training resources help your team get the most from every session.

*Coming soon.
