

BRONZERS

CREATE AN INSTANT, SUN-KISSED GLOW

Give clients an instant, natural-looking glow with four cosmetic bronzer shades designed to complement a range of skin tones.

Norvell® Venetian™

Cool brown with violet undertones & Patented VIO-7™ Anti-Orange Formula

Island

Cool brown with violet undertones

Mocha

Warm brown with undertones

Kona

Warm brown with cool violet undertones

THE TECHNOLOGY

Mystic's cosmetic bronzers provide an instant, natural-looking glow that enhances all skin tones. Bronzer color fades during the first post-tan warm water rinse, revealing the base tan developed by the active tanning ingredients in Tan/Tan + Rapid and Activate solutions.

THE RESULT

An instant, natural-looking glow

BRONZERS HELP TO:

Instantly transform skin with a deep, natural-looking bronze

Enhance and customize color

Deliver an even, radiant finish

Made with natural, cruelty-free, paraben-free, 100% vegan, and non-comedogenic ingredients.
