

versaspa® PRO

We've reimaged the VersaSpa experience—bringing together smarter technology, real-time connectivity, and a more modern, intuitive interface designed to support both your team and your clients.

HERE'S A QUICK LOOK AT WHAT'S NEW:

SMARTER CONTROL

- Intuitive 15.6" HD touchscreen for seamless operation
- Modern user interface with updated session guidance and treatment descriptions
- Faster, more secure system performance
- Remote troubleshooting to reduce downtime
- Over-the-air updates to keep your booth current with the latest features and improvements

PULSE AUTOMATED BOOTH PORTAL

- Monitor booth status, inventory, and performance in real time
- Adjust settings and set sessions remotely

ENHANCED BOOTH DESIGN

- Modern black column for a sleek, modern appearance
- Upgraded interior lighting for an elevated client experience
- Slip-resistant flooring provides improved traction while eliminating the need for floor grip tape

BUILT FOR BUSINESS GROWTH

- Minimize service interruptions with advanced diagnostics
- Streamline operations across one or multiple locations
- Elevate the client experience with guided, modern technology
- Stay ahead with continuous system enhancements

VersaSpa's next-generation upgrades are designed to help you operate more efficiently, support your clients more effectively, and grow with confidence.
