

WHY STAY CONNECTED?

Your booth does more than deliver great sessions—it helps your business run smarter every day. Staying online unlocks tools, software updates and remote capabilities designed to **improve performance, reduce downtime and simplify daily operations.**

CONNECTED BOOTH BENEFITS

BETTER BOOTH UPTIME

Identify potential issues early to help reduce unexpected interruptions and keep your booth ready for customers.

FASTER SUPPORT

Remote system visibility helps our tech team diagnose issues faster and minimize downtime.

AUTOMATIC SOFTWARE UPDATES

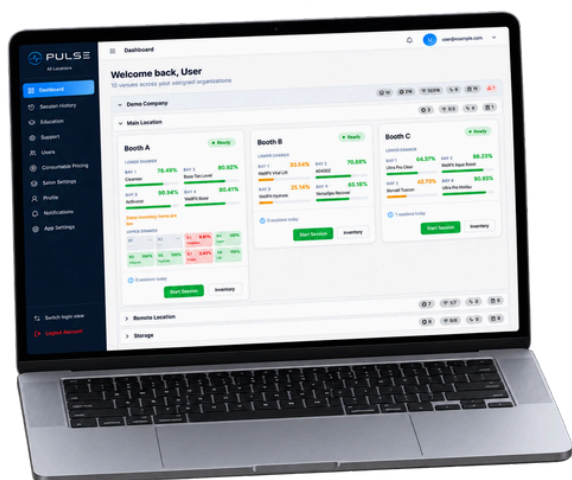

Receive performance improvements, security updates and new features automatically—no manual updates required.

REMOTE VISIBILITY WITH PULSE

Monitor performance, review history, manage settings and track solution levels from virtually anywhere.

PULSE REMOTE MANAGEMENT

Stay connected to your business from anywhere with tools that give you greater visibility and control.

- Monitor booth status
- View booth performance
- Review session history
- Manage your booth remotely
- Track solution inventory
